

Member Update

20/03/2020

Dear Member,

It is with a heavy heart that we must announce as per Government instruction, starting from 10pm tonight, Dolphin Square Gym will be closed until further notice.

We have tried our utmost to keep our doors open to our members and would like to thank every single one of you, for your loyalty and kindness throughout these difficult times.

Whilst the Club is closed **we will be freezing all memberships with no charge**, until such time we are instructed by the government that we can reopen.

However, just because we are closed doesn't mean this is the end. Over the coming weeks we will be working hard to ensure you receive useful content, videos, blogs, home recipes etc. to keep you healthy and active, even if you are in isolation!

The majority of the team will be working remotely, to assist with any queries and ensure you stay updated throughout these uncertain times. Should you have any queries, please feel free to contact us on membership@dolphinsquare.co.uk

Once again, we thank you from the bottom of our hearts for your continued support – this is not goodbye; see you soon.

Stay safe,

The Entire DSQ Gym Team
